Panther Athletica at a Glance

Built for athletes, families and our community.

Panther Athletica is being created as more than a place to play- it is a year-round community resource where young people and families can access athletics, mentorship and meaningful opportunities to grow. Many children in Indianapolis have never participated in an organized sport, while others face barriers such as court and coaching costs, limited indoor availability and unpredictable Central Indiana weather. Through fundraising and partnerships with the Indianapolis Tennis & Education Foundation and the Rajeev Ram Foundation, Panther Athletica will help expand access to consistent tennis programming, scholarships, and coaching. This will allow more young people to experience the confidence, connection and excitement that can begin on a tennis court.

THE VISION

OUR CHARITABLE PARTNERS

Indianapolis Tennis & Education Foundation

A partnership rooted in opportunity - and personal history.

For more than sixty years, Barbara Wynne's Indianapolis Tennis & Education Foundation has used tennis as a vehicle for education, confidence and opportunity across Indianapolis. What began in 1964 as a program to bring tennis to city youth has grown into a foundation that develops players, teaches life skills and helps ensure that children can grow through the game.

For Panther Athletica's founder, Bill Bastian, this partnership is personal. As a young player, he experienced Mrs. Wynne's encouragement and the doors she helped open through tennis. Her example helped shape his belief that the game can do far more than develop athletes - it can change the direction of a young person's life.

ACCESS	EDUCATION	BELONGING
Bring the game to young people who may not otherwise have the opportunity.	Connect tennis with learning, discipline, confidence and life skills.	Create welcoming, year-round places where young people can grow.

Panther Athletica is proud to work with ITEF and The Rajeev Ram Foundation, both of which offer tennis scholarships and programs for underserved youth. Clicking "Donate" on our website takes you to the Foundation's own secure donation page. Your gift goes directly to ITEF or The Rajeev Ram Foundation to support youth tennis programs.

OUR CHARITABLE PARTNERS

Rajeev Ram Foundation

Growing the positive impact of tennis across Indiana.

Founded by Indiana's own Rajeev Ram, a six-time major champion and two-time Olympic medalist, the Rajeev Ram Foundation expands the positive impact of tennis on young people throughout the state.
Its support for high school teams, aspiring collegiate athletes and high-performance juniors reflects a shared belief with Panther Athletica: talent and potential should be met with access, strong coaching and a community willing to invest in the next generation.

PATHWAYS	PERFORMANCE	INDIANA ROOTS
Help young players see a path from first experiences to lifelong participation.	Support athletes pursuing high-level competition and collegiate opportunities.	Strengthen the tennis community across Indianapolis and the state.

Panther Athletica is proud to work with ITEF and The Rajeev Ram Foundation, both of which offer tennis scholarships and programs for underserved youth. Clicking "Donate" on our website takes you to the Foundation's own secure donation page. Your gift goes directly to ITEF or The Rajeev Ram Foundation to support youth tennis programs.
